

SRI KAVIN KUMAR S

Front-end Developer

srikavinhere@gmail.com | +91 9345740699 | Salem, India

SUMMARY

Successful Front-End Developer with substantial experience at Login 360 Software Training Institute in Tamil Nadu. I successfully finished a rigorous UI development training program, obtaining hands-on experience in designing dynamic and responsive online applications. Proficient at creating dynamic and visually appealing web pages using CSS, HTML, JavaScript, and the Bootstrap framework. Demonstrated ability to improve user experience by applying responsive design concepts and creating user-friendly interfaces. Experienced with React APIs, Git, GitHub, VS Code Hooks, Redux router, Tailwind, Regex, SASS, Axios HTTP, ES lint, MUI, and other front-end development tools. Committed to optimizing queries and verifying forms for better functionality across several devices.
